CIBD Asia Pacific

On behalf of the Asia Pacific Section of The Chartered Institute of Brewers and Distillers, and as Chairman of the 39th CIBD Asia Pacific Convention, it is our great pleasure to invite you to Brisbane for what promises to be an exciting and memorable

gathering of our brewing and distilling community.

Our industry stands at a defining moment. Across the globe, brewing and distilling are being reshaped by cost pressures, supply chain volatility, sustainability expectations, regulatory complexity and rapidly changing consumer behaviour. Trends such as moderation, premiumisation, the rise of low- and no-alcohol products, and cross-category innovation are transforming how and what we produce. At the same time, advances in automation, artificial intelligence and digital technologies are redefining how our businesses operate and how our people work.

The challenges are real — but so are the opportunities.

The theme of this year's convention, **"Brewing & Distilling the Adaptive Future — Resilience. Relevance. Reinvention."**, reflects the path forward for our industry. Success in the years ahead will belong to those who build resilient operations, remain relevant to evolving consumers, and continually reinvent their businesses through technology, sustainability and human capability.

Over the coming days, this convention will provide a platform for exactly that. It is an opportunity to connect face to face with old friends and colleagues, while also building new relationships across our vibrant global community. Through the technical program, discussions and shared experiences, we will exchange ideas, explore emerging technologies and examine the trends shaping the future of brewing and distilling.

Our goal is to deliver an engaging and stimulating program for local, national and international delegates involved in brewing, distilling and associated industries. The convention is being held here at the Brisbane Convention & Exhibition Centre, in the heart of one of Australia's most dynamic and fast-growing beverage regions.

Brisbane and Queensland have rapidly built a reputation as a powerhouse of creativity within the brewing and distilling world. Across the city and throughout the state, innovative brewers and distillers are crafting remarkable beers and spirits that showcase both technical excellence and a uniquely Australian character. From bustling urban breweries to award-winning distilleries, the region offers a diverse and exciting scene that continues to evolve.

This convention celebrates that spirit of innovation and craftsmanship. It brings together professionals from across the Asia Pacific region and beyond to share knowledge, explore new ideas and strengthen the connections that make our industry so collaborative and forward-thinking.

Of course, a convention like this is not only about the presentations and technical sessions. It is also about the experiences we share along the way. Brisbane offers a warm climate, a welcoming culture and a vibrant food and beverage scene. From riverside venues and lively precincts to world-class breweries and distilleries, there is plenty to explore while you are here.

We encourage you to make the most of your time in Brisbane — experience the local hospitality, discover the city's thriving craft beverage scene and enjoy everything this energetic and welcoming city has to offer.

From mash to mastery, the future of our industry will be defined not by volume alone, but by value, craftsmanship, adaptability and bold leadership. This convention is an opportunity for us all to contribute to that future together.

We looking forward to welcoming you to the **39th CIBD Asia Pacific Convention in Brisbane.**

ABOUT THE DESTINATION

BRISBANE, QUEENSLAND

Brisbane is the capital and most populous city in the Australian state of Queensland, and the third most populous city in Australia. Its metropolitan area is home to approximately 2.5 million people, with the broader South East Queensland region encompassing more than 3.6 million residents. As a fast-growing hub for innovation, advanced manufacturing and food and beverage production, Brisbane provides a compelling setting for the Asia Pacific Section of the Chartered Institute of Brewing and Distilling Convention.

The Brisbane central business district stands on the historic European settlement and is situated within a peninsula of the Brisbane River, approximately 15 kilometres from its mouth at Moreton Bay. Founded on the ancient homelands of the Turrbal and Jagera people, the city's connection to water, climate and place has long shaped its agricultural and industrial development—factors that continue to influence brewing and distilling practices across Queensland and the wider region today.

Brisbane is a city for the senses. Impossibly blue skies, a warm subtropical climate and a relaxed outdoor lifestyle create ideal conditions for social connection and knowledge exchange. A well-planned network of paths and bridges links

the city centre with South Bank and a series of vibrant urban villages along the river, offering delegates easy access to venues, dining and hospitality experiences that showcase the region's contemporary brewing and distilling culture.

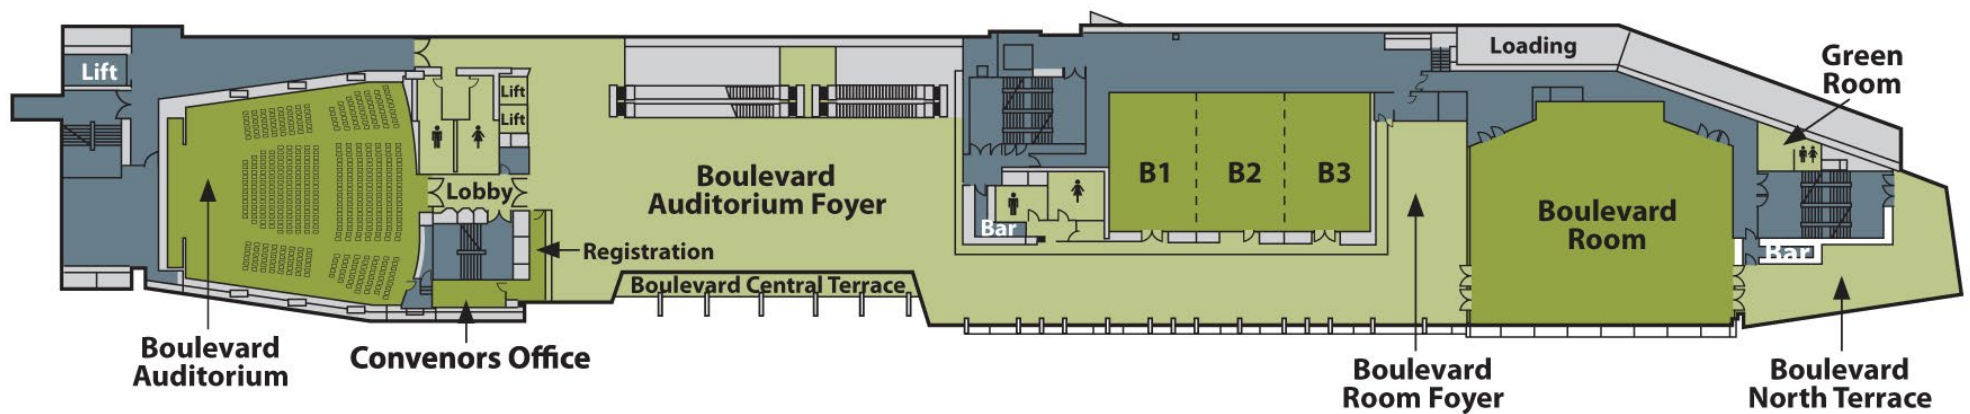

Brisbane's inner-city suburbs and neighbourhoods each offer their own distinct character. From browsing Paddington's heritage Queenslander cottages to experiencing Fortitude Valley's lively nightlife and craft beverage scene, or relaxing at South Bank's riverside precinct, the city provides ample opportunities for delegates to connect, explore and experience Queensland's dynamic beer and spirits landscape. Together, these elements make Brisbane a natural and inspiring host city for the CIBD Convention.

CONVENTION MARKETING AND PUBLIC RELATIONS

A professionally planned marketing strategy will ensure the benefits of attending the CIBD Convention are widely known internationally. Extensive direct mail campaigns, an official website supported by regular email newsletters plus editorial and advertising in professional publications will provide potential delegates, sponsors and exhibitors access to current information about the convention.

EXHIBITION DETAILS

All convention lunch and refreshment breaks will be held in the exhibition area to ensure a high traffic flow of delegates. Please note, the floor plan is subject to change at the discretion of the venue or the convention organisers at any time. The floor plan for the exhibition will be forwarded as soon as it is finalised.

ADDITIONAL TICKETS AND REGISTRATIONS

An additional sponsor/exhibitor registration can be purchased for \$1,000 each, which includes:

- Daily catering
- Attendance at convention sessions
- Attendance at the Welcome Reception

Dinner tickets may be purchased separately. Venue and price to be announced.

ADDITIONAL SPONSOR EXHIBITION ONLY

An additional sponsor exhibition only registration can be purchased for \$500 each, which includes:

- Daily Catering
- Full access to the Exhibition area.

This Exhibitor/ Sponsor Pass is significantly reduced from the standard delegate fee as recognition of your company's support of the event. Please note there is a maximum of two additional sponsor/exhibitor registrations per sponsor or exhibitor.

EVENT SPONSORSHIP & EXHIBITION APPLICATION TERMS & CONDITIONS

A full set of terms and conditions for convention sponsorship and exhibition packages are available on the convention website. When you complete the online acceptance form, you will be required to acknowledge your agreement to these terms and conditions to complete the submission process.
